

DETAILED ACTION
EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with the Applicant's Attorney, Mr. Phillip Articola.

The application has been amended as follows:

In the claim:

- Claims 6-22, 25-30: Canceled.
- Claim 3 depend on claim 1.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest either in singularly or in combination the following limitations and other elements in the claims:

References Rhodes et al., (Rhodes) US 2004/0251394 do not disclose:

- A device having a portion with no more than a first peak concentration of an a tranfer transistor coupled t the photodiode, a transfer transistor controlling circuit comprising: a first driveline that is connected to a gate of the storage transistor, the first driveline being capable of taking on either a first or a second voltage

level at any point in time, the first voltage level corresponding to an ON state of the storage transistor and the second voltage level corresponding to an OFF state of the storage transistor, and a second driveline that is connected to a gate of the transfer transistor.

Therefore, the above references do not disclose the claimed invention of present application and claims 1, 3,4,5,31,32 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
